7 UNITED STATES DISTRICT COURT
8 WESTERN DISTRICT OF WASHINGTON
9 AT SEATTLE

10 GERALDINE BARABIN,

11 Plaintiff,

12 v.

13 SCAPA DRYER FABRICS, INC., et
14 al.,

15 Defendants.

CASE NO. C07-1454JLR

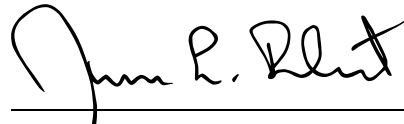

ORDER STAYING JUDGMENT
AND REMOVING PENDING
MOTIONS FROM THE
CALENDAR

16 On July 12, 2018, the court ordered the parties to explain whether the court should
17 stay the execution of the judgment and proceedings to enforce the judgment, pending
18 Defendant Scapa Dryer Fabrics, Inc.’s (“Scapa”) motion to vacate. (OSC (Dkt. # 779) at
19 2; *see also* Mot. to Vac. (Dkt. # 777).) On July 19, 2018, the parties jointly responded to
20 the court’s order. (Jt. St. (Dkt. # 781).) The parties inform the court that they are
21 “meeting and conferring to reach agreement regarding disclosure of the prior settlements
22 and intend to jointly submit a proposed amended judgment.” (*Id.* at 1.) That discussion

1 will likely also impact Plaintiff Geraldine Barabin's pending motion for costs. (*Id.*; see
2 Mot. for Costs (Dkt. # 776).) As such, the parties agree that "the [c]ourt should stay the
3 execution of the judgment and proceedings to enforce it" and that "further briefing on
4 Scapa's [m]otion to [v]acate [j]udgment should be stayed unless and until such time as
5 the [p]arties determine that they cannot reach agreement." (*Id.* at 1-2.)

6 Accordingly, the court STAYS the execution of the judgment and proceedings to
7 enforce it and further STAYS its consideration of Ms. Barabin's motion for costs (Dkt.
8 # 776) and Scapa's motion to vacate (Dkt. # 777). The court DIRECTS the Clerk to
9 remove both motions (Dkt. ## 776, 777) from its calendar. The court ORDERS the
10 parties to file a joint status report ("JSR") in fourteen (14) days advising the court of the
11 status of their discussions.

12 Dated this 20th day of July, 2018.
